

## SKEDVI BRÖD WINTER WORT

This bread is what happens when two great tastes from two beautiful and productive neighbouring villages in Dalarna are brought together. The latest addition to our family, Winter Wort knäckebröd, is baked with wort from Oppigårds Brewery and a good dollop of love. This bread has a round and beautifully blended taste, with a delicate sweetness coming from the wort. This seasonal bread is only available for a limited time for lighting up the darker winter months for those of you who love good taste.
